"Thanks so much for all your support during my stay, you went beyond the call of duty. It was an amazing experience."

Lorna Williams

Wild Gecko Handicrafts has for some years now been in the business of improving and developing local Artisan Skills towards adapting and developing traditional products and technologies to meet new demands of local and export markets for innovative and high-quality products.

Their products, comprising primarily handcrafted furniture and personal and household decorations and accessories, have been exported to numerous countries including the USA, UK, Ireland, Germany, The Netherlands, Italy, Israel, Jamaica, Australia, Malaysia and continentally to Nigeria, Côte d'Ivoire, Benin and Burkina Faso. The range includes such items as jewellery, textiles and clothing, furniture, frames, stationery, sculptures and carvings made from materials such as brass, horn, glass, aluminium, wood and grass.

The bulk of their products are manufactured locally at our workshops at Okponglo or elsewhere in and around Accra and the rest of Ghana, although they also showcase products specially sourced from currently about 15 other African countries including South Africa, Swaziland, Zimbabwe, Kenya, Cameroon, Niger, Madagascar, Mauritania, Morocco and Ethiopia.

The volunteer

Skilled wood workers are needed to offer advice, training and guidance to the current 8 employees in the wood workshop. You will be making solid wood furniture with tropical hardwoods. You will be working with mostly illiterate workers and as such you will need to know how to communicate with "your hands and feet."

The machinery dates from the '60s to the '90s and comes from around the world. You will have to have patience and be a real team player and good communicator. The ideal candidate will have at least 5yrs work experience with jigs, fixtures and routers.
